

CVACTA Fix-A-Test Clinic

USEA, USEF or USDF DRESSAGE TESTS

Saturday, January 10, 2009

Registration Deadline: Tuesday, January 6, 2009

Indoor Ring – Oakdale Farm

The structure of a Fix-A-Test is to ride the test as if at an event, then work with the clinician on the requirements of the test and areas needing improvement, and then ride the test again for the clinician. Rider will receive scored test sheets for the “Before” and “After” rides. Each session is 30 minutes.

Clinician: Molly Armentrout – Molly is predominantly a Dressage Rider who has ridden successfully at recognized shows. She has trained with Barbara Wiefelstede, “R” Judge and FEI Instructor, since 1999; she has also ridden with clinicians Todd Bryan, Rebecca Langwost and Jim Koford. She has over 20 years experience working with young horses and riders.

Participation limited to CVACTA club members. Cost to participate is \$20 per horse and rider combination. Multiple rides will be accommodated, as space is available.

Since the footing has been affected by recent heavy rains, the open schooling planned for CVACTA members at Oakdale will not be available on Saturday.
