Hi Everyone,

We're having a clinic at Plain Dealing Farm with **Jimmy Wofford** on Wednesday February 20. It will be small show jumping groups, and the price will be \$110 per ride.

If people want to see what our facility is like they can look on [plaindealingfarm.com](http://plaindealingfarm.com)

If you interested, please send an email to check for availability telling me what level group you want to ride in.

Molly

*FWIW, Jimmy used to do a series of these clinics at the VA Horse Center years ago. They are fantastic. A lot of what is in his gymnastics books. It really helps though to have SEEN those grids prior to setting them up!*
