

Nancy Covert

Gymnastic Jumping for Cross Country

January 5, 2008
at [Oakdale Farm Equestrian Center](#)

Learn the skills needed to jump safely cross country. If weather permits, afternoon sessions will be on the outdoor course.

Maximum 10 riders - Riders will be divided into groups with a maximum of 5 riders in each group. Each group will ride a 1 Hour session in morning and another 1 hour session in the afternoon. Gymnastics in the morning in the indoor arena and cross country in the afternoon (outside if weather permits). Lunch will be provided.

Reservations & Application Required with \$25 deposit

Nancy Covert is one of the area's best known eventing instructors. She has been conducting the CDCTA's beginner camps at Wingreen farm in Culpeper for many years. Nancy excels at showing riders how to transform from a "pretty" hunter rider form to the rider positions that will help handle the different questions that you will encounter cross country. She also uses gymnastics to improve horses jumping styles that will allow the horses to handle the different problems encountered cross country.

This clinic is structured so that one group will be for horses that have little to no cross country experience and other groups will be horses and riders that are currently competing thru novice level.

Cost \$85.00 per day includes 2 Sessions and Lunch.

Contact Terry Adcock at dadcock186@aol.com or call (804) 375-9007 for an application if you are interested in participating
