The participant hereby acknowledges that he has full and complete notice and understanding of the Act and of all the risks inherent in equine activities that may cause, contribute to or result in the death or personal injury of the participant or damage to the participant’s property (the “Risks”). These risks include, but are not limited to:

This Agreement shall remain valid and in full force and effect from and after the date opposite the signature of the undersigned until expressly revoked by the undersigned in a written notice personally delivered to the sponsor.

To the extent possible, this Agreement shall be construed in such manner as will render it, and each provision of it, fully enforceable; but if any provision of this Agreement shall be unenforceable, such provision (or so much thereof as is unenforceable) shall be deleted and the remainder of the Agreement shall continue in full force and effect.

In consideration of my/my daughter's/son's participation in any equine activities sponsored by CVACTA at Farm, I hereby release and waive my rights and the rights of any of my insurers by subrogation to sue CVACTA, its board members and officers and volunteers, and the Farm and Farm's owners, employees, agents, and/or representatives for any loss, damage, injury, or death to person or property sustained by me/my daughter/son in equine activities by any cause whatsoever, including the intrinsic dangers of equine activity, such as, but not limited to: (1) the propensity of an equine to behave in dangerous ways that may result in injury or death to a participant or bystander or damage to property; (2) the inability to predict an equine's reaction to sound, movements, objects, persons, or animals; (3) hazards of surface or subsurface conditions, whether known or unknown; (4) the experience level of any participant in equine activities at Farm; (5) a known or unknown health condition of any participant in such equine activities; and (6) the condition and age of the equipment or tack. I assume all the foregoing risks and any other dangers intrinsic to equine activities and accept complete responsibility for making any and all examinations or inspections relating to those risks and any other potential risks of recreational activities, and I agree and understand that CVACTA and Farm shall have no responsibility whatsoever to make any such examinations or inspections. I further assume all risk of, and agree to hold harmless Farm and its owners, employees, representatives, or agents, or on the part of any other person with regard to such equine activities. If I am a parent or guardian of a participant in equine activities sponsored by CVACTA at Farm, I consent to the child's participation and **AGREE** to all of the above provisions and **AGREE** to assume all of the obligations of this Release on the child's behalf.

I acknowledge that I have read the following language from the Code of Virginia relating to limited liability on equine activities which reads:

- B. Except as provided in § 3.2-6203, no participant or parent or guardian of a participant who has knowingly executed a waiver of his rights to sue or agrees to assume all risks specifically enumerated under this subsection may maintain an action against or recover from an equine activity sponsor or an equine professional for an injury to or the death of a participant engaged in an equine activity. The waiver shall give notice to the participant of the intrinsic dangers of equine activities. The waiver shall remain valid unless expressly revoked in writing by the participant or parent or guardian of a minor.
